Do you dare to make an impact?

YOUR ROLE

- Be part of the new Henkel dx Ventures team, partnering with outstanding founders and investing in early-stage start-ups
- Support the investment managers/venture partners in the sourcing of investment/partnership opportunities
- Prepare market and competition analyses and initially validate technologies and business models
- Conduct in-depth research into technological focus areas
- Create decision proposals and presentations for internal and external use

YOUR SKILLS

- You are a student who has successfully passed first semesters of economics-related studies, business administration or similar subjects
- You ideally have some experience working within a start-up or in the areas of venture capital, innovation and / or market research
- You are fluent in English
- You have firm experience with MS-Office, especially Excel and PowerPoint
- You have business acumen and interest to investigate various use cases
- You have a strong interest in venture capital, innovation, technologies
- You have an affinity for numbers and quantitative analysis
- You are a team player, open-minded, analytical, flexible, pro-active, determined and able to work independently
- You have excellent presentation and communication skills
- You are available as of Nov/Dez 2022 for six months

We offer you an attractive salary between € 800-1960 gross per month. The exact amount of the remuneration depends on the desired duration, the type of internship (voluntary or mandatory) and existing degrees.
